

Welcome to the Team!

United Way is grateful to partner with your company to help our neighbors most in need.

Our organization focuses on cultivating solutions to end poverty in Cass and Clay Counties through bringing together community partners, data, community leaders, and donors to change the lives of our neighbors in need for generations to come.

Our Bold Goals are the most challenging and chronic sources of poverty in our community.

We invite you to do two things today:

1. **Give.** Your company has provided you instructions for how to pledge a gift. We ask you to join us in making a better community for us all.
2. **Follow us** on social media to keep informed of the latest events, impacts made by investments, and other great ways to get involved.
